48 Hours in Charlotte

Where to stay

The Ivey’s Hotel and Kimpton Tryon Park both put you Uptown. If your first showing and your office are in SouthPark, stay there and test the Uptown drive.

FRIDAY · 5:15 P.M.

SouthPark to Uptown

Leave from the SouthPark block you’re considering. Set your office as the destination, including its parking entrance. Test the separate run to CLT if you fly often.

FRIDAY EVENING

Dinner in Dilworth

Copper and Kid Cashew put you on East Boulevard. For a different part of Dilworth, use the Tasting Room’s East Tremont address.

SATURDAY MORNING

Dilworth to Myers Park and Eastover

Compare a side street off East Boulevard with Queens Road West and then a block off Providence Road. Pay attention to the left turn you’d make every morning.

SATURDAY AFTERNOON & EVENING

Optimist Hall, Plaza Midwood and SouthPark

Break for lunch at Optimist Hall on North Brevard. Continue to Central Avenue in Plaza Midwood. For dinner, Rooster’s on Morrison Boulevard gives you another look at SouthPark.

SUNDAY MORNING

Make the airport run

Time the trip from your favorite street to the CLT terminal or the parking lot you’d use. Sunday gives you the route. Repeat at your usual departure time on a weekday.
